

Are you looking to learn something new?

Try one of these Open University courses, free to all UNISON members

- ❖ Try one of these Openings courses starting on 1st March, 1st June, 1st September or 1st November. All of the courses have been developed for new learners or those who have not done any learning for a few years.
- ❖ There are no entry requirements and they assume no special knowledge and no experience of studying. They are run by the Open University and lead to recognised qualifications.
- ❖ The cost of each course ranges from £130 to £195 but UNISON is able to pay the **full course fee** for our members. Members may only apply for **one** course per year.
- ❖ The courses are run via distance learning so you can study where and when you like. You will receive course materials and support by telephone and/or e-mail whenever you need it from your personal Open University tutor. You will need to study for a few hours each week over 20 weeks.
- ❖ There are 10 topics to choose from:

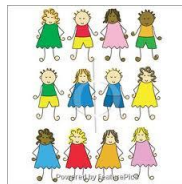

*Understanding Health

*Introducing Environment

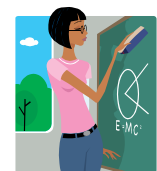

Understanding Children

*Understanding Society

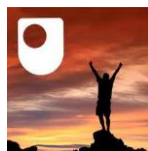

*Making sense of the Arts

*Starting with Psychology

Starting with Maths

Exploring sport online

Starting with Law

Understanding Management

(*These courses incorporate an IT module at the end of the course)

This link below provides further details about the content of each course.
